How to sign in

Open <https://mcqsupermarket.pythonanywhere.com/>. On the sign-in screen pick the role tab, then (for Manager and Dept Lead) choose the store and type the password below. Super Admin and Chu Ba do not choose a store.

Company logins (no store)

Super Admin (tab: Super)	99999
Chu Ba (tab: Chu Ba, read-only)	19

Store logins

Store	Manager	Dept Lead
Morley	1010	1111
Mirrabooka	2020	2222
Malaga	3030	3333
Subiaco	4040	4444
Armadale	5050	5555

Staff (individual employee) logins

Staff passwords are NOT listed here. A Manager or Super Admin creates each one from Staff Members > Create login on the employee row; the generated number is given to that employee, who signs in on the Staff tab (no store needed). Reset or remove a login from the same row at any time.

Keep this document confidential. Distribute only to people who must have it, and change passwords if it is ever exposed.
